SPREAD WOLLASTONITE TO SAVE MONEY, REPLACE LIME, AND NATURALLY ENRICH YOUR SOIL'S HEALTH

CANADIAN WOLLASTONITE

Are you an Ontario farmer interested in:

- Increasing your soil's pH and reducing your use of lime
- Naturally enriching your soil with essential nutrients
- Boosting crop yields
- Increasing resistance to diseases, pests and weather extremes
- Using your land to combat climate change

Wollastonite is a free and locally sourced lime alternative that rapidly releases nutrients to improve your soil health and increase crop yields, while permanently removing CO₂ from the atmosphere through a process called enhanced rock weathering.

"We are trying to reduce our carbon footprint every year, but it's the benefits we see in the vineyard that keep us coming back to Canadian Wollastonite. It's a great product that helps our vines, soils and environment."
Kurt Simcic, Sebastian Farms, British Columbia

INTERESTED IN SAVING MONEY AND ENRICHING YOUR SOILS?

Get in touch via the link below or call Harris Ivens, Project Manager at (613) 793-7153.

Seeley's Bay & Area Residents Assoc.

Last year was a very busy and productive year for SBARA. We had a few long term directors step down and several new members join the team, as well as **numerous community volunteers** helping out and lending a hand at various events such as;

- ◆ replacing one of the red canoe planters
- ◆ one of the original wooden signs refurbished and hung in the Community hall
- ◆ launch of historical walking tour w. Lottie Raven
- ◆ working on a self guided historical boat tour
- ◆ Red Canoe Fest and Children's Fishing Derby
- ◆ village pitch-in, clean up day
- ◆ three Small Halls concerts
- ◆ Christmas tree lighting
- ◆ children's community Christmas craft table
- ◆ electronic Events display at the grocery store
- ◆ annual general meeting
- ◆ developing a community volunteer platform that would help local committees ask for help and allow people to sign up (VOLT)
- ◆ Canada Day info tent, help with canteen and sponsored insurance for event
- ◆ Facilitated 1st town hall meeting for the repurposing of fire station/community hall building
- 24 summer hanging baskets, 12 winter hanging baskets
- planting flowers in red canoes, planters and community gardens
